### GRAPE VARIETIES

Cabernet Sauvignon

### SOIL

Clay-limestone

### VITICULTURE

The grapes that gave rise to this wine come exclusively from the vineyards of Quinta de Pancas, located in Alenquer. The vineyards are located in a sequence of hills and valleys, protected by the Serra de Montejunto. The climate is Mediterranean with an Atlantic influence.

### TASTING NOTE

Red in colour and clear in appearance, its aroma is vegetal, with green peppers standing out. The palate is balanced, confirming the notes of green pepper and various herbaceous flavours. Elegant and with polished tannins.
